SCHOOL UNIFORM GUIDE

WELCOME

At Queen Ethelburga's we take pride in ensuring our students always look smart and presentable in our modern and colourful uniform.

The QE School Shop at Woodlands opened in 2022 and is a one-stop shop for all school uniform needs.

The standard QE school uniform can be purchased in person from the school shop, or ordered online. From September 2023, our main school PE kit, provided by Castore, can be ordered online through our bespoke Kitlocker portal.

HOW TO MEASURE YOUR CHILD

Having your child's measurements to hand when purchasing your child's uniform will definitely speed up the process.

Height

Measure from a level floor to the top of the head.

Chest

Measure the chest at the fullest part, placing the tape measure under the arms.

Waist

Measure around the waist at the natural waistline (smallest part).

Collar

Measure around the base of the neck where the collar sits.

Inside leg

Measure with shoes on from the crotch to where the trouser is normally worn.

Skirt length

Measure from under belly button to just above the knee.

Snappy Tag

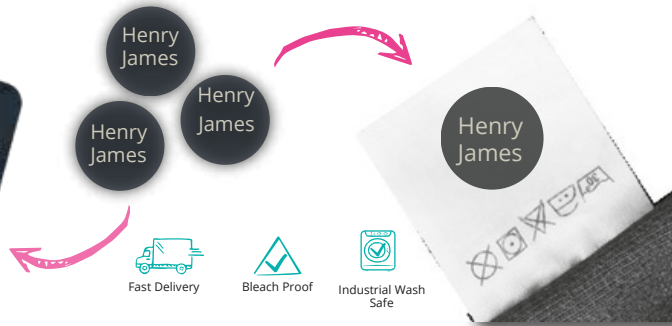

Snappy Tags is a simple, secure, yet reusable one-click labelling system specially designed for identifying items and clothing in care and nursing homes.

Snappy Tags are discreet (resembling small buttons) making them comfortable and unobtrusive to the wearer.

Names, room numbers or other details are permanently etched onto the tag, ensuring they will never fade, even in industrial laundries.

Click and apply in seconds, no ironing, sewing or sticking needed!

We also offer a number of other innovative labelling solutions!

Including Property labels (mini, small & large), ideal for hearing aids; glasses; books and walking aids. Underwear labels can also be used to identify undergarments and hosiery. Laundry bags help keep residents' belongings together in the wash.

COMING SOON; Bag Tags and Safety Wristbands are perfect for detailing medical alerts, disabilities, or personal information.
